General and Revenue Departments.

Sir,

In submitting herewith the record of enquiry relating to the Toddy Revenue of Kannapura Jadi village, Mudigere taluk, I have the honor to state that the present Deputy Commissioner in para 6 of his letter No 198, dated 21st May 1903, 9th June 1903 says "The Inamdars have failed to appear though duly served with Notice. Decision has already been passed by Mr Sparkes to the effect that the Inamdars are not entitled to the Toddy

Excise

Excise Revenue. The Quit rent Register does not make any reservation of the Toddy revenue I concur in the Deputy Commissioner's opinion that the Jodidars are not entitled to Excise Revenue from Toddy. There is no toddy shop, but there are a few Bagani trees in the village. As these trees were not sold by Government, under the "Farming system" no money is payable to the Jodidars. The Sarvad of the village has not been produced. The Inam Settlement has not conceded to them Excise Revenue from Toddy. Accordingly they are entitled only to the rent of the toddy trees leased by them.

I have the honor to be

Sir,

Your most obedient servant

Proceedings of the Government of His Highness the Maharaja of Mysore, Excise, dated 3rd August 1903.

READ—

Letter No. 7855—526, dated 27th June 1903, from the Excise Commissioner in Mysore, submitting the record of enquiry relating to the Inamdars' claim to the toddy revenue of the Kannapura Jodi village in the Mudgere Taluk, Kadur District.

No. 100-1—Ex. F. 13-01, DATED BANGALORE, 3RD AUGUST 1903.

ORDER THEREON.—There is no toddy shop, but there are a few bagani trees in the above village. The Inamdars' claim to its toddy Excise revenue was investigated by Mr. Sparkes in 1894, who found that the claim was not established. When a fresh enquiry was attempted under the rules issued in the matter in August 1901, the Inamdars failed to appear and prove their claim, though they were duly served with notice. Government are therefore, of opinion that the Inamdars are entitled to nothing more than tree-rent. No amount is due to them under the Vend Farm system, as their trees were not then leased out by Government, and for the subsequent period they were at liberty to lease out their own trees.
